Ms. Glevita Dsouza, a student from the B.Com. programme, expressed appreciation for the following initiatives by the College:

- Simplified Admission Process: The support provided to first-year students, particularly the logistical assistance during the admission process.
- Student Engagement Activities: Various events, such as the departmental fest, talent hunt, and patriotic week, were highlighted for helping students engage, participate, and enhance their skills.
- College Women Development Cell (CWDC): A series of events featuring guest speakers who addressed important topics for students, including anti-ragging measures and financial literacy for women.
- Alumni Involvement: Alumni invited as speakers provided valuable insights on the internal examinations as well as academic support.
- Improvement in Canteen Services: The variety of food items served in the canteen has improved

Suggestions/Feedback:

- Canteen Area Utilization: Students requested to be allowed to spend extra time in the canteen area during free lectures, as they are not permitted to stay in empty classrooms. With the limited space around, ensuring student safety remains a priority.

Response: Dr. Sadhana Venkatesh explained that the canteen area serves both the Degree College and the Junior College. Balancing the needs of both groups, especially within the time constraints, presents a challenge.

- Accessibility to Boys' and Girls' Common Rooms:

Students suggested that the common rooms should be made accessible during the day.

Response: Dr. Sadhana Venkatesh clarified that the decision to restrict access to the common rooms was made in response to challenges faced in the past, including concerns about students not attending lectures

- Canteen Area Improvement: The students requested for the canteen area to be made more spacious and better lit to improve the overall ambiance.

Response: The request for additional lighting and space adjustments will be considered.

- New Audio System for Events to ensure that students on higher floors can also enjoy the programmes.

Response: The college administration will look into upgrading the audio systems

Mr. Ryan Mathais, B.M.S. Programme shared his views as a student representative.

Suggestions/Feedback:

- **Skill Enhancement Workshops:** A suggestion was made for organizing personal training workshops to help students enhance their skills and prepare for participation in Inter-Collegiate and University level events.
- **Library Resources:** It was recommended that the library resources be upgraded with new editions to help students prepare for competitive exams.
- **Additional Seating Areas:** Students requested additional seating in the Campus surrounding areas to accommodate them during their free lectures.
- **Celebration of Fresher's & Farewell:** These celebrations were suggested as an opportunity to strengthen the student community.

Response: It was noted that the suggestion would be reviewed and considered.

- **NSS Unit Programme:** A proposal was made to introduce an NSS Unit programme connected to the University, such as beach clean-ups, to encourage group activities and provide hands-on-exposure to community and social service.

Response: It was suggested that similar programmes can be conducted under the aegis of D.L.L.E. an existing committee of the College.

- Seminars conducted by the Placement cell

Suggestions/Feedback:

- Few selective computers don't have students RDP registered
- Orientation Sessions for second and third year students on the way forward with NEP2020 are requested.
- Under Co-curricular activities Offline lectures should be conducted for practical subjects like Direct Taxes, etc
- Industry-relevant Workshops on Resume writing and soft skills should be organised for Third year students.
- Extra Collegiate departmental Fests, Industrial visits, Fieldwork and Annual Picnic should be considered
- Tentative timetable for B.Com Semester VI should be shared with students
- Frequent faculty change in every Semester is an area of concern for students.
- Study materials should be shared well in advance to help students prepare for upcoming examinations
- Projectors should be used while conducting lectures to enhance engagement and understanding
